**SB 2464 – HB 3545**

April 30, 2008

**SUMMARY OF AMENDMENT (016002):** Authorizes the Duck River Development Agency to undertake an alternative source analysis with the goal of establishing a long-term plan for the development of viable sources of water for the citizens of the Duck River watershed. The alternative source analysis shall be set forth in a written report to be delivered to the speakers of both houses by March 1, 2010 and should be updated annually in years to follow.

FISCAL IMPACT OF ORIGINAL BILL:

MINIMAL

**FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:**

**Other Fiscal Impact - The Agency will conduct this study without receipt of state appropriations. Any cost will be handled within the Agency's existing resources or through voluntary contributions from local governments in the region served by the Agency. The cost of conducting this study cannot reasonably be determined.**

Assumptions applied to amendment:

- Tennessee Advisory Commission on Intergovernmental Relations and the Department of Environment and Conservation would not incur a cost for their cooperation with the Duck River Development Authority.
- Any increase in state expenditure to provide such report can be handled within existing resources.
